Passing on the list of participants including contact details to cooperation partners for the implementation of a face-to-face event.

Passing on the list of participants including contact details to cooperation partners for the implementation of an online event. Here we prepare the organization, the cooperation partner carries out the event on his own responsibility. We would like to point out that the cooperation partners may use their own video conference tools.

For some cultural events we use the video conference tool Zoom. This is a program from Zoom Video Communications, Inc., based in the United States. The company's online privacy policy can be found at <https://zoom.us/de-de/privacy.html>.

Intention to transfer the personal data to a non-EU country

Communication via the video conference tool Zoom is also handled by the company Zoom.us on servers in the USA. When using Zoom, there is consequently a third country transfer. This is based on EU standard contractual clauses.
